

RETURN TO YOUR SOURCE

Opportunities in Die Quelle October 2011 – August 2012

READING THE SIGNS OF THE TIMES

The essential spirituality of the International Satsang is to encourage, support and develop the ability of Spiritual Seekers in *'reading the signs of the times'*

Die Quelle, the Sadhana Ashram, exists to provide both the space and opportunity to take time out of our busy lives in order to reflect on our spiritual journey. In the words of the Tao Poem

'All persons return to the One Source. Returning to the Source is tranquility'

All events at Die Quelle are designed to provide a balance between three essential areas;

- **Teaching** (given by Sir Ishpriya)
- **Time for Personal Reflection and Practice**
- **Time for sharing with other Spiritual Seekers.**

Details of the Programme of events at Die Quelle, separated into five different themes now follow, each of these are rooted in the main spirituality of *'reading the signs of the times'* These are:

- **Special Events**
- **Silent Retreats**
- **Ashram Days**
- **Satsang Events**
- **Seminars in Aspects of Spirituality.**

Further details and dates now follow.
