

RETURN TO YOUR SOURCE

Opportunities in 'Die Quelle' Januar 2016 - September 2016

READING THE SIGNS OF THE TIMES

The essential spirituality of the International Satsang is to encourage, support and develop the ability of Spiritual Seekers in 'reading the signs of the times'

Die Quelle, the Sadhana Ashram, exists to provide both the space and opportunity to take time out of our busy lives in order to reflect on our spiritual journey. In the words of the Tao Poem

'All persons return to the One Source. Returning to the Source is tranquillity'

All events at Die Quelle are designed to provide a balance between three essential areas:

- Teaching given by Sr. Ishpriya
- Time for Personal Reflection and Practice
- Time for sharing with other Spiritual Seekers
